

Hi, my name is Leonie Spronk. I'm working in the Lighthouse SE as Occupational Therapist. I'm in school on Mondays. Together with 4 colleagues (O.T.'s and Psychologists), I work at different international schools in Den Haag and Amsterdam. I started working in the Lighthouse SE in January 2016, and I'm always enjoy going to the school. Next to my job as Occupational Therapist in the different schools, in special occasions I'm teaching 1st and 2nd year students at the university of Hogeschool Rotterdam.

I like working together with the children, parents and teachers in the school setting, but I also enjoy home sessions, so see the children grow in their own environment.

Outside work/school, I enjoy playing volleyball and like cooking for my family and friends. I live in Rotterdam, but I grew up in the neighborhood of Sneek (Friesland). Before starting at university, I lived in Aruba for a year.

And if you have any questions about my work or about me, don't hesitate to contact me!

I look forward to work together,

Best wishes,
Leonie
