Foreword: ID Director

Dear Parents/Carers,

Welcome to our **Annual Update** for the 2022-2023 school year.

Lighthouse is an International Special Educational School and Three Little Ships is our International Preschool for children aged 3 and 4 years old. We are situated in our VHS building and part of the International Department.

We work closely with our colleagues in the International Department and with the various organisation and agencies within the Dutch education system that support the health and needs for our children. e.g. social worker, speech therapists, inclusive education (Passend Onderwijs), physical therapy, and Centre for Autism.

The Head of School is Judith Preston. She is assisted by Lisa Mayhall who is the Leader for Learning. They are both always readily available for consultation with parents.

Lorraine Janet Dean is the director of International Department across HSV International locations, Lighthouse and Three Little Ships. If you wish to speak to her, please make an appointment.

We are looking forward to working with your child and with you, during what we are sure will be a happy and productive year.

This information booklet will help you to get to know our school and how it works. More information can be found on our website www.lighthouse.nl

Kind regards,

Judith Preston and Lisa Mayhall

Staff Availability to Meet with Parents

The class teachers are readily available to talk to parents. If you have an urgent matter please make contact with the school by phone or email. Parents can always ask for an appointment to talk to the class teacher. The Head of School and Leader for Learning are generally available on a daily basis. The Director of the ID is available to speak to parents but works across all school locations. It is therefore advisable to contact the school office to make an appointment with her.

Reporting Absence

School must be notified by telephone before 09:00 on the first day of the child's absence. We kindly ask you to send an email to the school office and the classroom teacher before 09:00. It is important that parents always notify the school in case of illness or a visit to the dentist or the doctor.

Telephone Numbers when reporting absences:

Lighthouse & Three Little Ships +31 (0)70 335 5698 / +31 (0)70 205 1141

The school is open from 08:15. The children from Lighthouse who arrive by student transport will be met by a staff member. The children from Three Little Ships will be met by a staff member at the playground. The lessons at Lighthouse start at 08:30. Three Little Ships has a soft start between 08:30 and 08:45. Classes will start promptly at 08:45.

Teachers, parents and children are requested not to ride their bicycles in the playground due to safety reasons. Parents and children are asked to leave the school playground by 15:30.

During the lunch break, lunchtime supervisors from the Stichting Overblijfcommissie HSV supervise the children.

Dogs (except for assistance and guide dogs) are not allowed in the playgrounds or on school premises.

External Health Agencies

Please [click here](#) for all Lighthouse Special Education and Three Little Ships external health agencies.

Electronic Devices

Mobile phones and other devices may only be brought into school if requested by the teacher for educational reasons or by the parent for a special reason. During school hours mobile phones must be turned off and stored in the child's drawer. The school cannot accept liability for loss of materials that are brought from home.

Divorced or Legally Separated Parents

If parents are divorced or legally separated we will, if requested, provide both parents with school information and reports unless there is a court order stating that we should not. If both parents share the responsibility of the child/ren we would like you to both be in attendance in parent meetings.

Medication at School

There are students for whom it is essential to have medication in school. Generally we do not object to this but it is essential that there is good communication between the school and home.

It is important that the school is made fully aware of any medical condition in a timely fashion. These conditions can be discussed during the intake or at any point in a child's school life.

If a child needs medication the parents must make an appointment with the Head of School to arrange this. Administering medication is the joint responsibility of parents/carers, the pupil and the school. It is important there is a written record of the task of each party. The school can only offer support within the limitations it has.

In our school children are not only in the care of their own class teacher but come into contact with many teachers. It is in the best interest of the pupil that all members of staff are made aware of a condition. The information will be passed on to all members of the team by the Head of School or the school Monitoring Coordinator. Naturally confidentiality is respected.

Parent Activity Committee (PAC)

Each location has an activity committee consisting of interested parents who volunteer. We wish for parents to get involved with the school and take part in the organisations events and activities e.g. festive dinner, Sinterklaas, Book Week, Zomerfeest etc. If you are interested in joining please ask the Head of School and we will put you with the right person.

Parent Teacher Council (MR & GMR)

MR stands for the Dutch word Medezeggenschaps Raad. This literally means “Participation Council”. In essence the MR is a co-administration council (a mixture between the elements of a traditional Parent Teacher Association and a School Council). It is a requirement by Dutch law to have an MR in every school. The MR has primarily an advisory role.

School foundations, with more than one school under their responsibility, have the legal obligation to include a GMR (General School Council). The issues discussed in the GMR deal specifically with matters that affect the whole of the foundation, such as the budget, annual report, school policies and personnel issues.

The MR limits itself to issues at a school level, looking after the interests of the different parties it represents and discussing their needs with Management. It is therefore important to get to know your MR Representatives and let your voice be heard. We are currently working on establishing as part of our new organising and recruiting new members. If you are interested in joining please inform the Head of School.

Parent Teacher Council (MR)

The MR plays an important role in the communication between parents, staff and Management by taking a critical look at proposals from the Board. The MR can advise or, in some cases, disapprove before a decision is final. The MR is made up of parents and staff from the international department, (the ID) and Dutch department (the NA). We are currently looking for new members for Lighthouse.

Mrs. Alison Zegers from the Lighthouse will presents Lighthouse and Three Little Ships.

Parent Committee (KDV/Day Care)

By law, all childcare establishments in The Netherlands have to have a parent committee. The Three Little Ships pre-school also has a parent committee.

The role of the parent committee is to meet with the management team to discuss the following issues:

- the day-to-day functioning of the pre-school
- the educational policy
- health, hygiene and safety
- practicalities such as the opening times
- any (proposed) changes to the school fee
- establishing and amending the complaints regulation

We have a parent committee,. We are looking for volunteers to join the parent committee this year. If you are interested, please inform the Head of School.

Before and After School Care

The HSV works with a number of After School Care providers, known as 'BSO' in Dutch. Most facilities offer childcare from the end of the day until 18:30. In the school holidays and study days, care is offered from around 08:15 until 18:30. The children are collected from school either by bus or on foot at the end of the day. Parents contact these organisations independently and make their own arrangements.

Working parents are eligible to receive a monthly childcare benefit from the Dutch Benefits Office of the Tax and Customs Administration. The amount is calculated based on the combined income and number of hours worked per month.

The childcare providers used by Lighthouse and Three Little Ships families, include, but are not limited to:

Kinderopvang Zo

Lunch Break

During the lunch break, lunchtime supervisors supervise the children whilst they eat their lunches in the classroom and play outside.

One of the Lighthouse staff members will always accompany the lunchtime supervisor. The costs for the lunchtime supervisor is included in the school contribution.

There is no school canteen so please provide your child with an adequate, healthy lunch. If you prefer to offer your child a warm lunch, please use a thermos container.

If you are interested in a role as a lunchtime supervisor please contact your Head of School or the Overblijf Co-ordinator at each of the locations.

Lost Property

In school there is a lost property box. Please ask your child's teacher where this is. For everyone's convenience please ensure all items brought to school are clearly labelled with your child's name.

Small and valuable items e.g. keys are kept in the school office. At the end of each term any unclaimed lost property is sent to charity.

Head Lice

Please check your child's hair regularly. If you find head lice please let your child's teacher know and we will send a letter asking parents to be vigilant. If a child is found to have head lice parents are informed and a standard letter sent out to the class. A case of head lice is easily treated and there should be no cause for alarm.

Healthy Eating

Eating sweets in school is not allowed. Attention is given to the subject of healthy eating in the school curriculum, therefore we ask parents to take this into consideration when supplying their children with food for snack and lunch times.

Remember: if your child follows a (religious) diet or has allergies, please make sure that the staff are aware of this at the beginning of the school year. Many food products contain hidden animal products

Road Safety

The safety of our children is everyone's priority!

For the safety of the children we ask you not to drive your cars into the back entrance of Van Heutszstraat either before or after school.

There is free parking until 09:00 a.m. and after 14h00pm.

Parking regulations can change so parents are advised to check before leaving their cars.

PE Lessons

Three Little Ships PE lessons are given by their own teacher. Children in the Lighthouse classes have PE lessons with the specialist teacher once a week. Some children join the mainstream PE classes twice a week with the specialist teacher and some of the children are integrated into PE lessons with their typical developing peers. This is determined on an individual basis according to the needs of each child and their individual education.

Book Bags and Sports T-shirts

During PE lessons a HSV T-shirt, shorts, leggings or jogging bottoms and PE shoes are required. PE kit should be kept in the given PE bag, hung on the child's coat peg and taken home each week for washing.

HSV book bags are available from the school office for € 6.50, T-shirts cost € 7.50. The first PE bag is free, if lost it costs € 3.00 to replace.

School Fees

The contribution for Lighthouse students in the Early Intervention Group aged 3 to 5 years old is €19.800 per school year, contribution to be paid all at once or in three instalments.

The contribution for Lighthouse students aged 5 to 13 years of age is €24.200 per school year, contribution to be paid all at once or in three instalments.

The contribution for Preschool childcare students is € 8.250,00 per school year, to be paid in 10 payments.

The first instalment has to be paid before the child starts.

There is an additional fee if a student requires (full-time) additional individual assistance. Information about this level of assistance is available from the Director.

Parents must give 3 month's notice when withdrawing children from Lighthouse Special Education. If your child leaves school during the school year, reimbursement will be on pro rate basis following the 3 months termination

When moving within the Netherlands or leaving the Netherlands it is a legal requirement to deregister at the city hall (gemeente).

For payment the following bank details should be used:

Haagsche Schoolvereniging (HSV) INZ. LH

IBAN: NL58 INGB 0000 353026

BIC: INGBNL2A

Therapy Fees

The additional cost for therapy or assessment is invoiced separately by the individual therapist and is the responsibility of the parent.

The costs of assessment by the school's associated therapists in the school year are:

Articulation assessment	€200
Full Speech and Language Assessment	€600
Occupational/Physical Therapy Assessment	(on request)
Occupational & Sensory Assessment	On request
IQ Test: (8-10 hours per 90 euro)	€900 approx.
WISC V and WIAT achievement test (14 hours)	€ 1260 approx.
Dyslexia assessment + IQ + Achievement test (16 hours)	€1400 approx.
Therapy	€85/hour

These are subject to increase and updates will be posted on the school website.

Student Transport

For some students of Lighthouse, taxi bus transportation between home and school is available. A request should be made to the local Municipality where the student resides. The school will also have to complete a section on the school transport request form. In some cases, the student will have to have a medical examination. The Municipality decides on the eligibility of the student to receive transportation.

Inspector Visit

In January 2020, Lighthouse had an inspection. The inspection was a success and we maintained the basic arrangement status. This means that the inspector has approved the quality of education and will only visit if the annual documents, including test results and quality assurances, indicate a decline in standards.

Number	Category	Score
1.1	Educational results	Adequate
Educational process		
2.1	Offer	Adequate
2.2	View on development	Adequate
2.3	Didactic actions	Adequate
Quality care and ambition		
4.1	Evaluation and improvement	Good
4.1	Quality culture	Good

According to the Dutch inspectorate the grading of voldoende 4 (good), is regarded as the highest score. The grading "good", 4, is only awarded when a school is exceptional. Adequate means that the standard expectations are being met.

Attached the inspection report here with a [link](#).

The Three Little Ships has an annual inspection report, please read [here](#) the latest report (published in Dutch).

Complaints Procedure

Mistakes can happen in any workplace, including schools. Since August 1st 1998, schools are required to have a complaints procedure. As a school we feel responsible for the realisation of a safe school with a pleasant educational climate and hope that you will always be able to resolve any issues you may have via the class teachers, Head of Schools, Head of the ID or the Executive Director (representing the Supervisory Board). However, there may be instances when you feel that you need to take your complaint further. In this case there is a contact person (details on the following pages), who will support you through your issue.

In the complaints procedure, there is a distinction between complaints about abuse of authority and other complaints. Abuse of authority can be defined as sexual harassment, discrimination, aggression, violence and bullying. Other complaints can relate to matters such as pupil counselling, application of punitive measures, pupil assessment and school organisation.

With any issue, the first point of contact should go to the person concerned e.g. a class teacher. If you wish to take the matter further, please see the Head of School or International Department Director. If you are still not satisfied, you may then get in touch with the Executive Director, who will work to find a solution on behalf of the Supervisory Board.

If there is a serious incident related to abuse of authority, you may call upon the internal contact person, the external confidential adviser or lodge an official complaint with the complaints committee. Contact details of these parties can be found in the following pages. You can also report directly to the School Inspector. The internal contact person may refer you to an external confidential adviser who will talk further with you about the complaint and support your possible further steps. The external confidential adviser is independent and talks with this person are also strictly confidential. If necessary, the complaint will be officially lodged with the complaint committee.

Internal and External Inspector

The Haagsche Schoolvereniging is associated with the Vereniging van Algemeen Bijzondere Scholen (VBS) and as such affiliated with the national complaints committee. The complaints committee investigates the complaint and advises the Supervisory Board about measures to be taken. The appropriate authorities decide what to do with the advice and inform all parties.
